A PRODUCT OF S BIRLA GROUP

MAK- ING- OF

From The Desk Of Chairman
MR. SHANKAR BIRLA

At AOSIS, we understand the enthusiasm that surrounds home maintenance and renovation projects. That understanding is the foundation of our company's mission: to provide the best selection of faucets, shower systems and accessories on the market. Our products are made to match the style of your home; perfect for kitchens and bathrooms alike

We have assembled an unparalleled team of employees and created cutting-edge facilities to design, test, improve and refine our products to meet all your fitting needs, poised to provide beautiful and sophisticated high performance faucets and shower systems.

The AOSIS team spares no effort to guarantee the best possible life span and superior quality for the products we offer. Our AOSIS products are unique, easy to install and come with a warranty.

AOSIS faucets have been designed for easy installation. Mechanical parts are easily accessible from above the counter, making maintenance and cleaning chores much more straightforward.

We equip all our dual-handle lavatory and bathtub faucets with High Standard ceramic cartridges. This ensures their durability and optimum performance for the system.

Our innovations and know-how are sure to exceed all your expectations.

HOW A COLLECTION IS CREATED.

USING  MASSAUD AS AN EXAMPLE.

FAUCET TECHNOLOGY

QUARTER TURN SERIES

The internal cartridge of all quarter turn series are fitted with specially designed Italian ceramic disc to ensure soft movement and full flow of water even on normal pressure. Extruded brass rod is used for all metal parts of internal cartridge for flawless performance for longer period.

ONE PIECE

Hygienic and practical. These toilets are often referred to as, 'masterpiece' as their shape, often in one single cast, makes them difficult to produce. Their siphonic action means water and waste are vacuumed out, which makes them very efficient.

WARRANTY DETAILS

AOSIS products have been manufactured under the highest standards of quality and workmanship.

Our faucets are backed by 7 Year Limited warranty against any manufacturing defect. Aerators, spindles and cartridges are backed by 1 Year warranty.

AOSIS Faucets used in normal residential and nonresidential commercial settings are warranted to be free of defects in the material and workmanship for the period of time set, commencing from date of sale from AOSIS authorized partner and distributors.

On or if receiving notice of such defect during the period of warranty, it will, at its option, either repair or replace such defective product or its parts of the products. This warranty does not apply to defect caused by misuse, improper storage, improper installation & handling, or by abnormal water quality in certain areas.

Petty item's like rubber washers, O-rings, other rubber/plastic parts, tiny brass nuts & screws etc. are of fragile nature, thus damages caused to such items due to use are not covered by this warranty. Damages caused due to usage of fluid other than water are also not covered under this warranty.

In any case, which is beyond its control and unable to repair or replace the item due to discontinuation or non-availability of stock the purchaser shall be entitled to get a refund or exchange with other model/design of the purchase price.

AOSIS (India) make no other express warranty whether written or oral, and hence is not liable for any direct or indirect loss/damages based on contract or any other legal theory.

This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims and the Warranty Card Document id applicable. Any reference to any other warranty document will not be considered.

Warranty period will start from date of invoice and shall automatically terminate upon the expiry of the warranty period even if the product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.

In the event of any repairs/replacement of any parts of the product, this warranty shall thereafter continue and remain in repairs/ replacement of parts including transit of the product or its parts or any period during which the product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted.

All products carry 10 years warranty against any manufacturing defects.
